EXPERIENCES

June 2021 – Present

- I have created and developed 4 projects from scratch, using my own design and implementation.
- I have completed over 20 projects by utilizing online platforms, including `Frontend Mentor` and `freeCodeCamp`.
- I continuously enhance my front-end skills by practicing on various platforms such as CSSBattle and others.

CERTIFICATIONS

Developer Certification in Responsive Web Design – freeCodeCamp [2021]

- I acquired this certification after completing 300 hours of coursework.
- I completed 5 projects as part of the course to earn the certification.
